#### THE H<sub>2</sub>O PROJECT

Beginning this Sabbath (2/14), join the Youth Ministry in helping ADRA provide clean water to the world. One billion people lack access to clean water. Every 8 seconds a child dies somewhere because he or she didn't have enough clean water. They die because they drink untreated water from puddles, pits, and streams polluted by livestock and human waste.

Most of the time, clean water is *available*, but it is not *accessible*. All that's needed is a well! Now YOU can help provide one by your participation in The H2O Challenge.

**Here's how:** we challenge you to make water your only beverage for 2 weeks. During that time, take the money you would have spent on other beverages and save it!

Contact Tami Rowe or Pastor Tim in Youth Ministries for more details or to participate.
