BLOOD DRIVE

North Cascade 7th Day Adventist Church will be sponsoring a blood drive on Saturday, September 19 as a ministry to the community.

Each unit of blood collected at our drive can benefit up to 3 patients in area hospitals. The blood donations benefit patients who have suffered serious injuries and burns, need transfusions during surgeries and have life-threatening chronic diseases like leukemia and cancer that require frequent transfusions.

As a friendly reminder to regular blood donors in our congregation: **The last date to donate blood elsewhere, and still be eligible to donate at NCSDA Church drive, is July 25.**

Giving blood is a safe and easy process. Sterile, disposable equipment is used to collect each donor's blood. The actual donation takes only 7-10 minutes. The entire process is about an hour. Most people can donate blood. In general, those who are at least 18 years old and weigh 110 pounds or more may donate blood; 16-17 years olds may donate with a guardian-signed permission form supplied by the Blood Center. There is no upper age limit for blood donation.

Blood donation is literally lifesaving. In fact, 80% of the population will require a blood transfusion at some point in their lives. And when that need occurs, the blood will be there for patients thanks to donors in our community who rolled up their sleeves to donate blood.

For more information about the blood drive, please contact Vicki Jacobs at vicki161311@hotmail.com or 707-2506.
