

## SUNSHINE BAND

On Nov 14th, Sunshine Bands will be at Evergreen North Cascades Health & Rehabilitation in Bellingham--4680 CORDATA PARKWAY. Gilson Giroto is the medical director of this facility, and invited us to come and sing there. I'm looking forward to spreading some cheer at Evergreen.

Our program will begin at 3:00 p.m., and finish around 3:45. Generally, the format of our program is group hymn singing with instrumental accompaniment interspersed with special vocal and instrumental numbers. We've had several special musics done by small children and SAS band students. We hand out song books, so that residents can sing along.

It would be nice to have our little ones sing a simple song like *Jesus Loves Me* or *This is the Day the Lord has made*. If any of you play instruments that you would be able to bring to accompany hymn singing, or for a special number, please let me know. Also, if you would be willing to do a special vocal number, that would also be greatly appreciated. We also need people who will sing along with the hymns, help residents find pages in their hymn books, and just be there to smile & visit with the residents.

Please let me know how you can help, and feel free to spread the word and invite others along. Thanks so much!
