## PARENTS & GRANDPARENTS

The **Quiet Bags** are back! You may check them out before church. Please help us keep them in order. Each bag is numbered and the contents of each bag has the same number on it so that all of the stuff gets put back in the CORRECT BAG.

Parents/Grandparents, please supervise/check the repacking of the bags before turning them back in to be sure everything is put back into the right bag. This will help insure that the next child to check that bag out will find everything in his/her bag that is supposed to be there.
