

# MOTHERS

## MOTHERS:

An eight-year-old wrote an essay on mothers: “Mothers are the ladies you live with if you are not an orphan. They are very useful, especially at night when you are sick. Mothers rock babies and girls every night, but boys have to pretend that they don’t like it, and only do it when there’s nobody around. They make you wash your ears every day and they can tell if you do not brush your teeth, even if you wet the toothbrush.” Ken J Holland, *Signs of the Times*, May 1987.

## QUOTE:

My mother was the source from which I received the guiding principles of my life.—John Wesley, *Signs of the Times*, May 1965.

## PATCHES:

A poor boy with a large patch on one knee of his trousers was laughed at by a schoolmate who called him “Old Patch.”

Why don’t you fight him?” cried one of the boys; “I’d give it to him if he called me so.”

“Oh,” said the boy, “you don’t suppose I’m ashamed of my patch, do you? For my part, I’m thankful for a good mother to keep me out of rags. I’m proud of the patch for her sake.” - S.S. Advocate, *Signs of the Times*, September 2, 1897.

## QUOTE:

I have tried to live my life as my mother would have wished. She taught me as a boy that service is the highest duty in this life. I believed her then, and I believe her now. I have tried to follow her teaching.—Henry Ford, *Signs of the Times*, May 1965.

### THANK YOU

The Outreach Committee would like to thank Leroy Jordan, Dick Tolf, Sid Fisher and Dean Dietrich for the outstanding effort they demonstrated to represent our church in the remodeling of the House of Hope room we adopted. Their efforts completely transformed the room by closing off a doorway, re-plastering walls and painting the walls and ceiling. As we follow in the footsteps of Christ to reach out to members of our community in need there are ample opportunities for you to participate. Expenses for this outreach project totaled approximately \$2000 which has only partially been covered by donations. If you would like to participate with financial support to cover these costs, please mark your offering envelope "House of Hope." If you have questions, call Cindy Hartley 360-303-8536

### SANDVIK WEDDING

Michael Sandvik and Heidi Corder will be wed Monday, May 31, 11:30am at Walla Walla City SDA Church. Please see invitation, RSVP instructions, and registry info on the church bulletin board.

### FOREIGN EXCHANGE STUDENT

A host family is needed for a foreign exchange student who will attend your local High School for the coming school year. (10/11) A potential host family can choose from the following students: a girl from Senegal who loves helping in her community, she likes cooking and baking, and is an excellent student, or a boy from Germany who likes playing basketball and his clarinet. He is in the orchestra in his school. He is looking forward to coming to the US for the year, or a girl from Romania who likes volleyball and swimming, her favorite subjects in school are History and Geography and also enjoys school activities and snow sports, or a boy from Vietnam who loves being outdoors, likes reading, playing the piano, and drawing.

Students come here with good English skills, their own insurance and spending money, and mainly a desire to be a member of an American family. Host families do not need to have teenagers of their own; young families as well as empty nesters are excellent High school hosts this year. For more information about these students or others, and the program, contact Jamin Henderson at 360-661-0552 or [Washingtonstudentexchange@gmail.com](mailto:Washingtonstudentexchange@gmail.com)
