As parents of the bride, we cannot find words enough to thank your church family for the community of faith found this past weekend. To the church board we thank you for letting the church premises be used for the wedding ceremony. To the church school and principal especially we thank them for the use of the gym and the special cleaning that was done to make the gym spotlessly clean.

Finally a special thank you to Sue Muff (assn't wedding coordinator), Jill Boudreau (florist), Bob and Patsy Price (security and help), and Van and Joan Smith (for the use of their beautiful gardens for pictures).

Thank you one and all for the support and caring shown to make Leah and Sedric's day very special!

Till Jesus comes may we all be found faithful.

Our appreciation,  
Brad and Carmen Brousson

## BLOOD DRIVE

September 10, 2011

### North Cascade Seventh-day Adventist Church

North Cascade 7<sup>th</sup> Day Adventist Church will be sponsoring a blood drive on Saturday, September 10 as a ministry to the community.

As a friendly reminder to regular blood donors in our congregation: **The last date to donate blood elsewhere and still be eligible to donate at the North Cascade 7<sup>th</sup> Day Adventist Church Blood Drive is July 16**

Each unit of blood collected at our drive can benefit up to 3 patients in area hospitals. The blood donations benefit patients who have suffered serious injuries and burns, need transfusions during surgeries and have life-threatening chronic diseases like leukemia and cancer that require frequent transfusions.

Giving blood is a safe and easy process. Sterile, disposable equipment is used to collect each donor's blood. The actual donation takes only 7-10 minutes. The entire process is about an hour. Most people can donate blood. In general, those who are at least 18 years old and weigh 110 pounds or more may donate blood; 16-17 years olds may donate with a guardian-signed permission form supplied by the Blood Center. There is no upper age limit for blood donation.

Blood donation is literally lifesaving. In fact, 80% of the population will require a blood transfusion at some point in their lives. And when that need occurs, the blood will be there for patients thanks to donors in our community who rolled up their sleeves to donate blood. For more information about the blood drive, please contact Vicki Jacobs @ 360-707-2506.
